

## PRODUCT FEATURES

- Efficient, classic adjustable spot head design
- Adjustable spot head design and variable stem length options available
- Fully dimmable integrated LED lamp
- Available in two on-trend finishes, Aged Brass and Satin Nickel
- Idea for residential and commercial lighting applications
- 5 year warranty with no lamping option. 5 year warranty with LED lamping option, visit [techlighting.com](http://techlighting.com) for more warranty details

## LAMPING

Includes 12 volt 9.4 watt, 518.5 delivered lumens, 2700K or 3000K, LED module. Dimmable with most LED compatible or ELV and Triac dimmers. Ace head can pivot 90° (horizontal to straight down). Integrated lens holder accommodates up to (2) lenses and louvers (sold separately). As a general rule when using the Ace head, we do not recommend using greater than 33% of the maximum wattage specified for the low voltage transformer due to inrush current requirements. For assistance in calculations, please contact Technical Support.

Aged Brass

Aged Brass

Antique Bronze

Satin Nickel
