H: 21 IN, Dia: 52.00 IN
Bronze
Contract Suitable As Is

The new two-tiered Griffith chandelier provides a bold presence in any room. Inspired by the grand public spaces of the mid-century era, this architectural chandelier is designed with bronze shades accented by a contrasting antique brass finished steel frame. This fixture's upward facing plates reflect light, creating a warm, even glow. Damp-rated, although limited covered outdoor conditions may affect finish. Finish will vary.
