

ARTERIOS

TROON CHANDELIER

89330
 H: 23 IN, W: 56 IN, D: 17 IN
 Antique Brass, Opal Swirl Glass
 Contract Suitable As Is

A representation of modern sophistication, this multi-light electrolier defines a space. Varying sizes of opal swirl glass globes embellish a sleek and slender steel frame that works to ground the slightly whimsical design. Small, clear crystal knobs contrast beautifully with the antique brass finish and with the visual textures presented by the swirl finish that graces the glass. Glass will vary. Damp-rated, although limited covered outdoor conditions may affect finish. Additional pipe available (PIPE-101).
