## IMPORTANT SAFETY INSTRUCTIONS:

For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other) (For North America Customers Only). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord's socket. Never alter the plug in any way. This instruction is provided for your safety. It is important that it is read carefully and completely before assembling the fixture.

## WARNING:

- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing the bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
