BULB WATTAGE: 60W/CFL 16W/LED 13W

VOLTAGE: 110-120V ITEM NET WEIGHT: 11.50

TO ASSEMBLE:

1. Remove all packing contents and parts from the carton.
2. Pull excess wire through the column before assembling the lamp.
3. Place the lamp body (A) on a flat surface.
4. Screw the rod (D) on the top of socket assembly (B) till tight.
5. Place the shade (B) onto the rod (D) and then tighten finial (E) clockwise to secure the shade.
6. Insert 2 Type A 60w bulbs (or suitable CFL 16W or LED 13W bulbs)

CARE INSTRUCTIONS:

- Clean with soft, dry cloth.
- Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp.

IMPORTANT SAFETY INSTRUCTIONS:

For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other) (For North America Customers Only). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord's socket. Never alter the plug in any way. This instruction is provided for your safety. It is important that it is read carefully and completely before assembling the fixture.

To avoid risk of fire, do not exceed the recommended wattage.

WARNING:

- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing the bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

PARTS INCLUDED:

Body (A)	Qty: 1
Shade (B)	
Socket Assembly (C)	Qty: 1
