

# TOTEM UP/DOWN LIGHT

## DESCRIPTION

Totem is a versatile pendant lighting collection comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, pure white geometric forms provide a charming interplay of unique combinations to provide warmth and elegance to any space. Users can select from 4 shade styles (A,B,C,D) to mix and match to create an ensemble of 20 unique pendant combinations. Totem provides both direct and indirect illumination by employing a two-part LED light engine that provides both uplight and downlight resulting in a warm and dimmable ambient glow projecting through its softly diffused glass structure. Totem singles can be used in flush mount down-light only scenarios as well.
