Item Weight: 22 lb

Number of Lights: 6

Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 60 / 360

Cord: 13' Black

Drawing his inspiration from the brutalist design movement, Ian Thornton created the powerful spiky form of the Attingham Black Chandelier. This fixture, made of wrought iron in a satin black finish, teases the eye into to where it's hard to discern the beginning from the end. Impressive design attributes include the way each of the interlocking shapes tapers at the top and bottom, and the textural patterns these will cast when the chandelier is lit.
