Suggested Bulb: G Globe

Socket Type: E12

Watts per Socket / Item: 7 / 7

Cord: 6' Clear Silver

Switch: Rocker Switch

Shade: Off-White Linen

Shade Dimensions: 3" x 12" x 5"h

Tom Caldwell designed the Bective Table Lamp with its urn-shaped body that sits between two thin stems. He was aiming to create a smaller accent lamp that was somewhat traditional but with cleaner forms. In the process, he manifested a complex design with its cascading shapes. Made of aluminum, the gold table lamp has an antique brass finish on the metal, which contrasts the black granite base. The lamp is topped with an empire-shaped off-white linen shade.
