Ethereal in its make-up, the Bon Vivant Small Semi-Flush Mount was designed by Tom Caldwell. The discs that effervesce with illumination are made of Capiz shells ringed with a decorative metal edge. These match the contemporary gold finish on the rest of the fixture. The thinness of the wires that fasten the discs to the frame and to each other is a sophisticated design detail. This gold semi-flush is convertible to a chandelier when the lower canopy is removed.
