Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 40 / 40

Cord: 1' Black/White

Shade: Natural Grass Cloth

Shade Dimensions: 5" x 8.25"h

A seriously clever design, the Capriole Rattan Wall Sconce looks as if it is made of a floating stem of natural material when viewed from the front, but when seen from the side, the bow-shaped hardware that attaches it to the backplate creates a dynamic design detail. The way the minimal metal bands clasp the stem creates further interest. To contrast the natural rattan, Clarence Mallari, the designer of the fixture, chose a satin black finish for the metal.
