Item Weight: 27 lb
Number of Lights: 1
Suggested Bulb: G Globe
Socket Type: E26
Watts per Socket / Item: 60 / 60

Chain Included: 6' Brass
Cord: 13' Gold

As complex as a profile gets, the Chaconne Brass Chandelier has a circumference ringed in folded metal straps. Each piece is bent seven times to achieve the shape that is then wrapped around the frame. This is a labor-intensive process that takes a tremendous amount of concentration to ensure that the interconnecting straps end up the exact same length. Brightening the overall composition is the brass finish.
