The beauty of natural stone brings the Pharos Alabaster Table Lamp an exquisite personality. The graceful shape of this dreamy table lamp was conceived by Tom Caldwell, who admits this is one of his all-time favorite pieces. Though the shape is simple and traditional, the production of this lamp requires the most modern equipment. The stone is quarried from a mine near the Taj Mahal and the factory that hones it originally made trinkets for visitors to the famed palace. The Pharos is topped with
