Item Weight: 11 lb
Number of Lights: 1
Suggested Bulb: G Globe
Socket Type: E26
Watts per Socket / Item: 60 / 60

Cord: 13' Clear Silver

When the lights are switched off, it can be hard to tell that the top and bottom cup-shaped shades of the Zevio White Pendant are made of different materials. Ian Thornton designed the fixture with its frosted glass shade on the bottom and steel shade in a white finish on the top. The cirlet that clinches these as they transition and the clean-lined stem from which the pendant hangs are contrasting elements made of brass-toned metal.
