Suggested Bulb: G Globe

Socket Type: E12

Watts per Socket / Item: 60 / 420

Cord: 1' Black/White

The Andre Brass Wall Sconce is made of wrought iron in a brass finish. The telescoping feel to the design is reminiscent of brutalist sculpture, though the lines are so pared-down, the gold sconce has a modern profile. Design details of note are how the candle-arms are square instead of round and the bobeches are so minimal they all but disappear.
