Watts per Socket / Item: 60 / 300

Cord: 1' Black/White

The Crystal Bud Semi-Flush Mount has delicate faceted crystals unfurling from vines that flow around the light bulbs. The gleaming metal in a brass finish serves as a warm contrast to the luminous glass; the interplay making the profile of this crystal semi-flush complex and interesting. Though there are many traditional attributes to this design, it will also feel right at home in transitional and even contemporary interiors.
