Suggested Bulb: G Globe

Socket Type: E12

Watts per Socket / Item: 60 / 60

Cord: 1' Black/White

The Dandelion Silver & Gold Wall Sconce is a masterful composition that celebrates its namesake flower. The puff-ball that surrounds the bulb is made of nails that are bent and welded together, a process that is extremely labor-intensive. Made of wrought iron, the sconce's wallplate, stem, and leaves are finishes in a contemporary gold leaf, while the floral elements are a mix of contemporary silver leaf and contemporary silver finishes.
