## Dialect Desk Lamp

6000-0909

Overall: 21.75"h x 23"w x 8"d

Finish: Brushed Brass/Brushed Nickel

Materials: Metal

Item Weight: 22 lb

Number of Lights: 1

Suggested Bulb: Integrated LED

Watts per Socket / Item: 10 / 10

Cord: 6' Clear Silver

Switch: Dimmer Switch

Clarence Mallari designed the Dialect Desk Lamp that is fitted with integrated LED technology. The majority of the metal on the lamp is finished in brushed brass, but the thin disc details throughout are in a brushed nickel finish. This modern interpretation of a desk lamp has an acrylic diffuser to keep the light evenly distributed.
