Suggested Bulb: B Torpedo Tip

Socket Type: E12

Watts per Socket / Item: 7 / 14

Cord: 6' Clear Silver

Switch: 1-Way Cord Switch

Shade: Black Matte Metal

Shade Dimensions: 14" x 3.25" h

With its seriously handsome profile, the Domville Table Lamp is made of aluminum in an antique brass finish, capped off with a black metal shade. Tom Caldwell designed this lamp with its hexagonal hand-formed base and punched-metal diffuser that will add a hint of texture as light wafts through it. A design detail of note is how the finial projects up through the domed shade as if it continues from the lamp's thin body.
