Materials: Wrought Iron

Item Weight: 13 lb
Number of Lights: 9
Suggested Bulb: G Globe
Socket Type: E12
Watts per Socket / Item: 60 / 540

Cord: 13' Clear Silver

A remarkably labor-intensive piece of artistry, the Endicott Chandelier is fashioned from wrought iron that has been formed into wire and finished in a bronze gold that enhances the thin ribs with deep-toned color. The fact that each piece of wire is cut and bent by hand means this black chandelier takes many hours to realize. The piece is hung on aircraft cable, which contributes to the airiness of this design.
