Suggested Bulb: CA Flame Tip

Socket Type: E12

Watts per Socket / Item: 2 / 8

Cord: 1' Black/White

Ian Thornton designed the Follett Wall Sconce with its incredibly thin stem fitted with white composite bowls that glow when the lights are switched on. Inspired by a fountain, Thornton found the perfect symmetry to create the fixture's modern sleekness. The sconce has a contemporary gold leaf finish that reflects the illumination with a hint of patina.
