Heybrook Semi-Flush Mount

9000-1171

Overall: 11.5"h x 26"dia

Finish: Polished Brass/Black/White

Materials: Metal/Acrylic

Item Weight: 7 lb

Number of Lights: 3

Suggested Bulb: Integrated LED

Watts per Socket / Item: 10 / 30

Cord: 1' Black/White

Taking his cues from mid-century modern design, Clarence Mallari envisioned the Heybrook Semi-Flush Mount to reflect the sensibilities of that lauded era. Made of metal in a mix of black and polished brass finishes, the gold semi-flush is fitted with integrated LED technology that is softened by white diffusers at the bottom of each of the three circlets holding the bulbs.
