Switch: 3-Way Turn Knob

Shade: Off White Linen

Shade Dimensions: 14" x 9" h

The Hippodrome Table Lamp has a svelte profile of graduating arches with contemporary lines. The time-honored motif that has reappeared throughout history has an updated contemporary feel, thanks to the simplicity of its profile and the natural travertine from which it is made. The off-white linen shade is a contrasting element. Because this beige lamp is made of natural stone, texture and color may vary from lamp to lamp.
