Socket Type: E12
Watts per Socket / Item: 60 / 360

Cord: 13' Clear Silver

The wooden beads on this fixture were the inspiration for Ian Thornton as he designed around them to create the Holcroft Chandelier. The Sandstone-finished beads are fastened to a wrought iron frame dangling from a rod, both in a Sugar White finish to make this design surprisingly light. The large size of the beads is one of the surprising elements to this design that skews bohemian in style.
