Cord: 13' Clear Silver

The Kuka Pendant is a driftwood starburst in a whitewashed driftwood finish, which was designed by Marjorie Skouras to continue her celebration of the Yucatan Peninsula that she calls home. The tumbled wood pieces are fitted so carefully to the frame, the nature-inspired profile fools the eye into thinking it came from the elements in one piece. This natural-toned pendant is a perfect choice for coastal settings and lakeside retreats.
