Cord: 6' Clear Silver  
Switch: 1-Way Cord Switch  
Shade: Polished Nickel Metal  
Shade Dimensions: 1.5" x 7" x 3.5"h

Incredible sheen is the material story with the Repartee Desk Lamp made of metal in a polished nickel finish. The clean-lined metal rods that hold the inverted bowl-shaped shade rise from a stacked optic crystal base to make the overall composition very modern. Clarence Mallari intended to create an adjustable desk lamp with pared-down lines when he designed the Repartee.
