Socket Type: GU24
Watts per Socket / Item: 10 / 10

Cord: 13' Clear Silver

The inverted dome shape of the Thalassa Pendant becomes luminous when it is strung with seaglass. The painstaking patience it takes to assemble a fixture like this makes it an artisanal piece. The Sugar White finish on the frame and the aircraft cable from which it hangs make this a light and airy composition that will look beautiful in a contemporary setting or a room with a coastal aesthetic.
