Watts per Socket / Item: 40 / 120

Cord: 1' Black/White

The Zola Wall Sconce is made of beautifully woven natural rattan and wrought iron in a khaki finish. Though it is made of an earthy material, the clean lines of the shape make this a contemporary rattan sconce. The expert weave includes tightly wrapped detailing on the top edge of the sconce and the ring where the rattan meets the metal cap at the bottom. The fixture is fitted with a backplate in the same finish that brings the illumination a warm glow.
