Shade: Beige Linen

Shade Dimensions: 19" x 10"h

The Weststrand Table Lamp has a flowing shape packed with personality. The spoon-like swells pressed into cast concrete create an artistic statement because they are far from uniform, which adds interest to the squashed shape of the rugged-looking gray lamp. The surface has a wonderful texture to it, and the light antique brass finish on the hardware draws out similar tones along the surface of the cement.
