

COBALT

440-18-VB

This simple sconce shape features an opal glossy globe resting within an Alabaster disc. The Alabaster picks up the light from the globe, casting a gentle glow on the wall behind. Cobalt's clean, monochromatic look pairs well with a variety of interior styles and colors.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
