

PRODUCT DESCRIPTION

A dual framed structure creates dimension on these outdoor lighting fixtures that is both contemporary and transitional. The construction consists of two frames of square tubing and squared components. The inner frame's Clear Seedy glass reduces glare from the light and appears dirt-free for longer periods. This is a comprehensive collection to brighten all areas of your outdoor space, available in various sized sconces as well as hanging and post configurations.

*height from center of outlet to the top of the fixture
