## **PRODUCT DESCRIPTION**

Gallant in hand-applied Gold Leaf, the Normandy collection is a look befitting a chateau of the Middle Ages. Both traditional and handsome, the exposed candelabras are gilt in matching Gold Leaf sleeves as they perch at the end of decorative bobeches. The sharply-angled curves of the arms anchor to polygonal elements adding a tailored elegance to the chandelier's design. Thoughtful in its composition, the collection provides an authentic interpretation to a classical concept.
