

PRODUCT DESCRIPTION

This stylish modern chandelier combines solid wood shades with warm bronze and brass tones for a striking, transitional look. Featuring arms akimbo, the design pairs walnut-stained oak with Satin White glass shades, offering a sophisticated blend of materials and providing glare-free, ambient lighting. A coordinating swing-arm wall sconce extends horizontally with a sturdy, attractive arm structure. A simpler two light wall sconce also pairs well with the collection. Finished in a two-tone Dark Bronze and Antique Brass, and complemented by the natural wood tones, this collection easily blends with a variety of styles. LED lamps are included with each fixture, ensuring energy efficiency and convenience.
