

PRODUCT DESCRIPTION

Inspired by the precision and artistry of classic millwork, Draughtsman fuses refined materials with a tailored silhouette to deliver an elevated lighting solution rooted in craftsmanship. Sculpted wood panels form an open cylindrical frame, flared slightly at the base for a gentle curve that evokes artisan joinery. A Satin White glass diffuser softly disperses light downward, grounding the form with warmth and clarity. Offered in two finish combinations--rich Walnut with matte Black or Whitewashed Oak with Charcoal--this collection brings a handsome, architectural touch to transitional and traditional interiors alike.
