TRIAC

### Canopy | white or brushed nickel

Ø4.7"-12cm

Inspired by the tranquil and mesmerizing light refractions created by water, Mizu is a customizable pendant light from Terzani. Like water droplets, no two Mizu are alike, each crystal shape is unique and made meticulously by hand. Using only the clearest crystal, Mizu perfectly emulates water's refraction of light, casting amazing patterns around the room, reminiscent of flowing water. Also available in gold leaf.
