The Quinn Collection of Wall Sconce lighting by Feiss is simply elegant with contemporary flair, featuring bold, cast details like square arms with a defined square transitional edge, contrasted by a circular candle tube bobeché. A delicate White Parchment shade softly diffuses the light. Overall, the angular profile achieves a tailored, modern look for those seeking an updated classic. Quinn 1-light wall sconces are offered in a Satin Nickel or Antique Bronze finish and measure 15"H x 5"W and extend 5" out from the wall.
