

Our DORA collection is Oh So Chic! Our up-and-coming young designer, Ting, drew the inspiration from her childhood. She wanted to create a collection that was versatile, interactive, and fun. With DORA, end users can really be a child again. Have fun with the collection and hang it individually or in a cluster, in whatever position your heart desires. Combined with cutting edge technology, the DORA is embedded in a CRI 90 LED luminance that gently distributes the light. We conveniently offer three suspension methods: pendant, chandelier, and circular suspension.
