

COSMOS

Design by Lieve Altherr Molina.

VIBIA

Reference

2511.

Application

Pendants

Installation type

Surface mounted

Description

COSMOS, designed by Lieve Altherr Molina, is a pendant collection composed of several lacquered thermoplastic discs suspended at varying heights to create the appearance of satellites orbiting a moon. Their single-material finish invokes the smoothed texture of river rocks, rounded by millennia of natural refinement. With the incorporation of energy efficient LED technology, completely integrated in the interior of each piece, there is a perfect symbiosis between design and light source. Available in cluster version with two finish combination options. Matte black lacquer canopy.

Diffuser

Polycarbonate diffuser

Materials

Body: ABS

Diffuser: Polycarbonate

Canopy: Steel

Finishes

 **2511-62** Green (Pantone 5645)

 **2511-66** Light grey (Pantone 403)

Sketch

Light source: 2700K CRI >80 1593 lm 118 lm/W

Driver included: CC - Constant Current 350 mA 120V 50/60Hz

Electronic dimming: TRIAC

Optional dimming: 0-10V or DALI or Lutron ECO

Installation and assembly

Please see the installation manual

Light distribution

General lighting - opaque shade

Fixture suitable for general ambient illumination, distributing light mainly upward and/or downward.
