

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. While threading wire through, attach the loop (4) onto the nipple (5) and attach the chain (3) to the loop (4).
4. Use the quick link to connect the chain (3) to the chain holder (2) on the canopy (1).
5. Install the tube (6) on the cover (7) and the socket cup (8).
6. Refer to the additional installation instructions included with the product for wiring and installation.
7. Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
8. Restore power to the installation point and retain this sheet for future reference.
