- All nuts and bolts required for the installation will be included in the delivery.

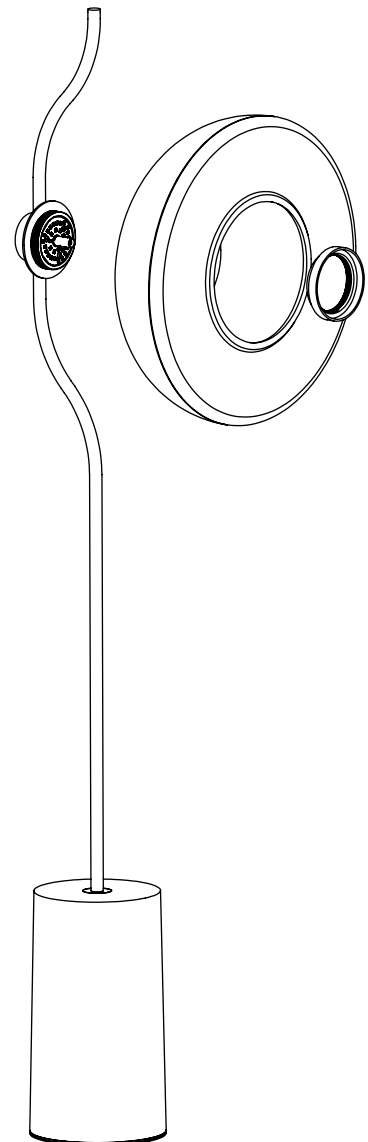

BEFORE INSTALLATION

- Check that you have all components before starting assembly.
- Assembly must be carried out by a qualified electrician.

1. Remove the floor base (A) from the packaging and stand on a firm surface.

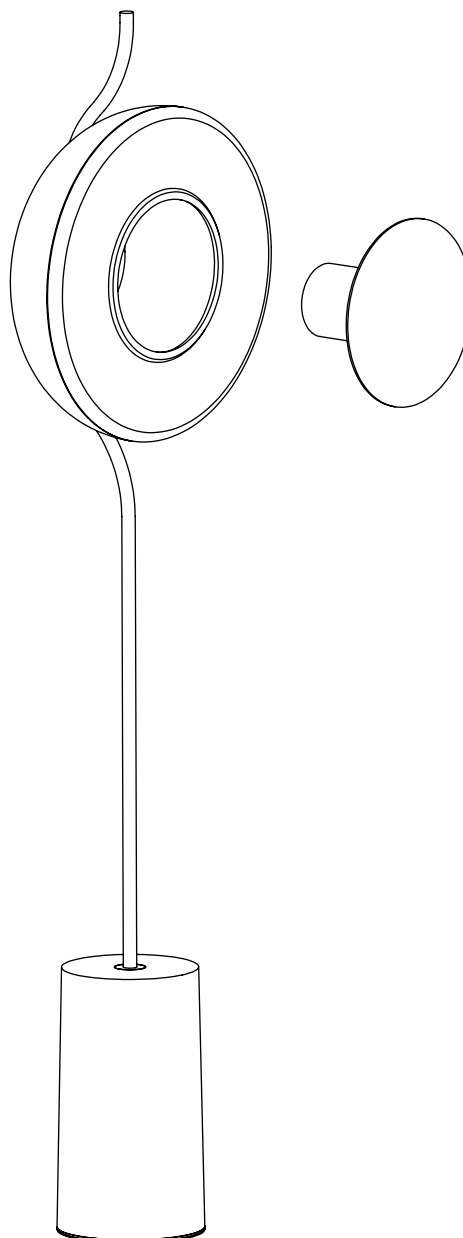

2. Place the glass shade (B) onto the body and screw on the glass mount ring (C)

3. Screw the diffuser (D) into the centre of the body.

The diffuser (D) should be screwed tight to the glass shade (B) so it is held tight and unable to move.
