

# Terho Pendant, Small

Linden wood and  
hand-blown glass

Inspired by nature, Terho means 'acorns' in Finnish and refers to the organic and appealing shape of acorns found in nature. The warmth and beauty of the form combined with smoked transparent glass make it as contemporary as it is timeless. The collection consists of three sizes, small, medium and large available in black and natural. Durable for both private and public use.

## CO<sub>2</sub> Footprint

At Mater, we believe in the importance of transparency. By doing Life Cycle Assessments (LCA) on our furniture, we can analyse the total climate emission for each of our product's lifespan.
